

Letter from the Middle and High School Principal, Susan Boutros

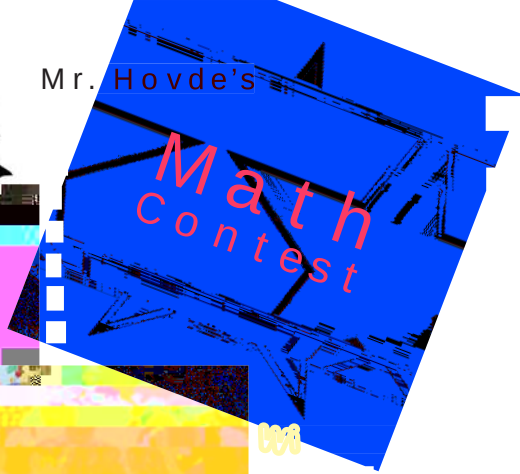

outfits, pajamas or with crazy hairstyles, you have just

Spirit week has been celebrated at Khartoum American School for a couple of years now. Our themes for this year's

Tuesday: Mismatch / Crazy Hair Day

Mr. Hovde's

Elementary School Math problem:
Kindergarten:

Grade 1:

Grade 2:

Grade 3:

Grade 4: The profit from the KAS bake sale was 725 SDG.

Grade 5:

Middle School Math problem:
Naomi had an average score of 70 on her science tests. On to 75. How many science tests has Naomi taken?

High School Math problem:
If you flip a coin and roll a die, what is the probability you get heads and a five?

Solutions from the last week: Kindergarten:

Grade 1: Grade 2: Grade 3: Grade 4:
Grade 5: Middle School:
High School:
