
Superintendent,

was wonderful to see our community coming together to kick-off another fantastic year at KAS last Tuesday.

As always I would like to extend a special welcome to our new students. Moving to a new school is always a challenge

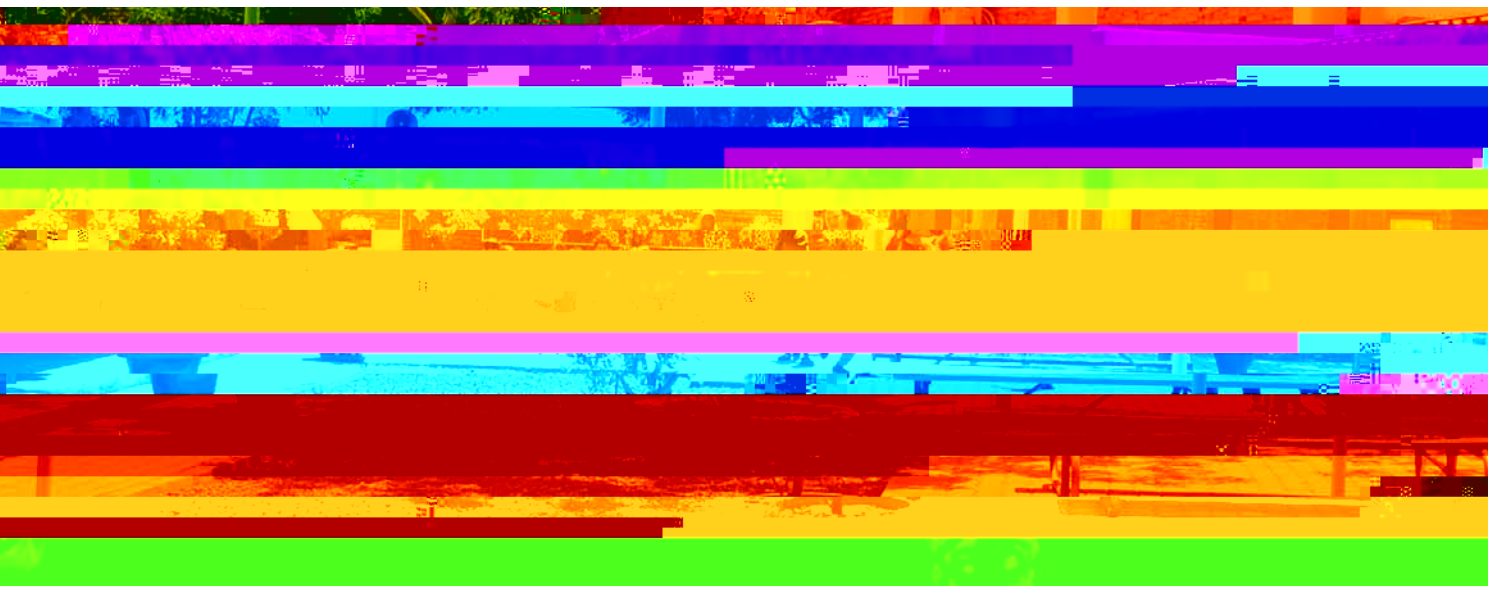
the warm nature of our staff, students and administrators will go a long way towards making people feel welcome and accepted into our community. Our enrollment this year is looking really strong and this I believe can be attributed

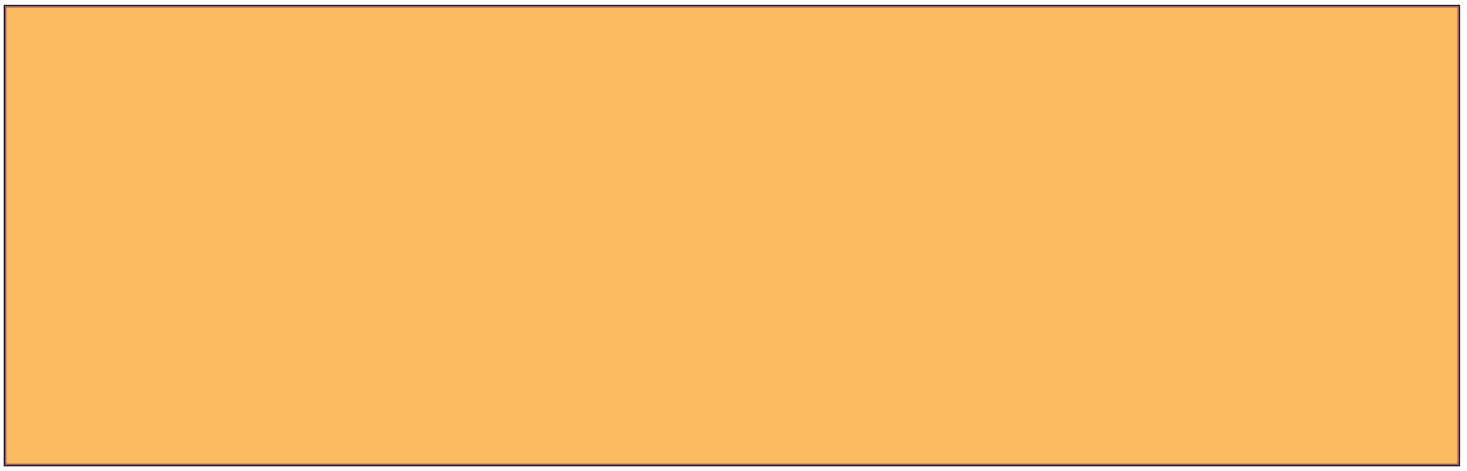
Welcome to the new school year at KAS...

On behalf of the IT department, I would like to welcome all new students and parents and we wish you all the success throughout this school year.

For returning students and parents, we welcome you back and assure you that we are here to help you in gaining the technology skills that you need for your future.

Regarding middle and high school parents, as you all know, last year we were using *www.Engrade.com* as our Virtual Management System, which allows a two- way communication between teachers and students as well as between

them in their learning process. Parents also complimented us in using Engrade and they brought very positive feedback.




We are continuing with our efforts to build a technology system that will foster 21st century skills in our students, enhance their learning, and give them the ability to engage more in their learning process. Therefore, this year we have joined thousands of other teachers around the world and have become a premium member of EngradePro.com. This
