

## Make Up Day Has Changed From March 1, to April 5, 2014

I niversity of Northern Iowa Kecruitıng raır in the U nited States to interview teaching
for the next school year. The UNI fair as it is known is the oldest international school recruiting fair starting in 1976. I had attended this fair before and have always found many good teaching candidates. There were 700 candidates and
is a phrase often used to describe somebody being occupied by small details while a greater disaster is taking place unnoticed. Roman legend has it that in AD 64 Emperor N ero wanted to see whatTroy had looked like as it burned to the ground, so he set light to Rome. It was said that he watched the blaze for six days and seven nights while

How many cents in a dime? How many
cents in a nickel? How many cents in a penny?
