Dear Parents, Students and Friends,

On Thursday, September 13, we offered a Parent seminar on Khartoum American School's Guiding Statements. The presenters of the seminar were Ms. Dina Shalash, Curriculum Coordinator and Ms. Nicole Stacy, Student Support Services Coordinator.

We received excellent feedback regarding our seminar. The parents that attended reported that the seminar was both very informative and engaging.

I am sure that most of you are already familiar with our Mission, Vision and Global Citizenship statements. However, as a reminder please find them below for those of you who were not able to attend the seminar.

OUR KAS MISSION AND VISION

Khartoum American School provides an outstanding learning environment to promote an open, inclusive and student-centered program. We are devoted to fostering educational growth and development for our internationally-diverse student body.
